It's a lot of information and most online dictionaries are free. Are you looking for synonyms or antonyms? This dictionary has a comprehensive search feature for finding related words to help you create sentences that are precise and easy to understand. The Cambridge DictionaryThe Cambridge Dictionary operates under the umbrella of the venerable Cambridge University Press, which has been in business since 1584. Up-and-coming or highly regionalized slang is also a specialty of Urban Dictionary. Choose from corpus-informed dictionaries for English language learners at all levels. Sentence phrase examples serve as a guide. Related WordsRelated words are part of the word's description in many online dictionaries. This can be handy for quick reference. Urban DictionaryUrban Dictionary, found at urbandictionary.com, is a user-generated definition database, but it operates in a context where the lack of high-brow gatekeeping is a good thing. Though most entries have multiple definitions, users can vote on which ones are most relevant or correct, giving a better impression of how the word is actually used in practice. Free with ads, or go ad-free as an in-app purchase. If you're ever confused by an internet acronym, like HMU (hit me up) or NPC (non-player character), Urban Dictionary can help you get to the bottom of it. It also provides videos showing you how the word is pronounced. Some words have more than one pronunciation, which is indicated by several examples to follow as a guide. Spelling VariationsA word can have more than one spelling, so spelling variations are outlined in the online dictionaries. Whether you want to look up phrasal verbs, idioms or standard English definitions, or if you need help learning the English language, this dictionary is a comprehensive and easy-to-use resource. Specialty dictionaries are written with specific fields or games in mind, including biology, slang, business and Scrabble. Beyond that, the Merriam-Webster website (merriam-webster.com) also includes a thesaurus and dictionaries covering specific topics, like law and medicine, as well as a children's dictionary and other important resources. Oxford English DictionaryThe Oxford English Dictionary (found at oed.com) is arguably the world's foremost scholarly authority on the English language. Like any good dictionary, it puts the word you've looked up in a sample sentence so that you can understand the word in context fully. For example, if you search "barnyard definition," you'll get a result that gives a brief definition of the word, an option to translate it into another language and a graph of its use over time. MORE FROM QUESTIONSANSWERED.NET Whether you need to double-check the meaning of a word you think you know or you've run into new vocabulary, an online dictionary can be a quick way of getting the linguistic information you need. Click on the arrows to change the translation direction. Additionally, many dictionaries link to a thesaurus as a cross-reference where you can find synonyms and antonyms of the word. Even if you're a great wordsmith, you often need to find a definition from a dictionary. Rather than flipping through a book the old-fashioned way, it's often more convenient to find an English definition dictionary online. If you're looking for idioms related to a particular word, you can find a comprehensive list of useful words and expressions. Collins English DictionaryCollins English Dictionary has been a definitive dictionary since 1819 and has expanded online to include word definitions in several languages as well as guides to grammar and a helpful tool if you're playing word games. Though focused on British English, the Oxford English Dictionary is an important record of the language's past and present. Contiene las palabras, expresiones y colocaciones que puede necesitar un estudiante de nivel principiante de inglés americano, con definiciones sencillas, pronunciación en formato audio, y miles de ejemplos cuidadosamente seleccionados del Cambridge English Corpus. The syllables are broken down to show emphasis and accentuated parts of the words as you speak. Previous print editions of the OED have come in multiple huge volumes, but its recent editions have been published online in full, providing a massive database of English words ranging from the obscure to the everyday. Dictionary.comA straightforward, easy-to-remember address and great design makes Dictionary.com a great resource, particularly for digital natives. The word is listed as either a verb, noun, adverb or other part of speech. MORE FROM QUESTIONSANSWERED.NET El Cambridge Essential American English Dictionary es perfecto para estudiantes de inglés que quieren empezar a usar un diccionario solo en inglés. This dictionary also puts the word you've looked up into a sentence, using quotations from a variety of publications including classic literature and film scripts, which is helpful for understanding the word in context. This is a good reference for grasping the word's usage capabilities in language. Personalized English vocabulary practice with the Cambridge Dictionary.
